

BATHROOM REMODEL CHECKLIST

GET STARTED

If you're planning to remodel your bathroom, having a checklist of what you need to do beforehand is imperative. This tool will help you conquer the steps of bathroom remodeling by allowing you to create a realistic time frame and budget. Feel free to share this checklist with your contractor to ensure you haven't missed anything.

PLANNING

- Identify Goals and Prioritize
- Set a Budget
- Choose a Style and Design
- Know Family Schedules
- Setup a Temporary Bathroom
- Interview/Hire a Contractor
